

# Coronavirus (COVID-19)

As always, the health of our community is our absolute top priority.

Our clinic is closely following the updates and most recent guidelines from the CDC, WHO and Los Angeles County Public Health Department.

These are the extra precautions we are taking:

- Appointments are spaced to avoid a crowded waiting room
- All touch points are disinfected after every patient with citricide anti-microbial and/or 70% alcohol
  - Door handles
  - Counter tops
  - Bathroom
- Floors cleaned daily
- All treatment tables are completely covered with 2 sheets of table paper
- New exam gloves for each patient
- Kelly wears KN95 mask
- Air purifiers with HEPA filters in each treatment room and the reception area

Required of you:

- Mask
- Please stay home and call the office for consultation and herbal treatment if:
  - you were recently exposed to someone with COVID-19
  - test positive for COVID-19
  - have a fever and/or cold/flu like symptoms, coughing, shortness of breath

Thank you for your attention to these matters.
